

Children's Cancer Association Announces FY08 Foundation Support Totaling Over \$300,000

The Portland non-profit Children's Cancer Association (CCA) is proud to recognize **2008 fiscal year** foundation support totaling **\$311,833**.

Grant monies donated to CCA helped fuel a variety of award-winning programs and services, all provided free of charge to seriously ill children and teens, and their families. CCA's innovative programs are recognized nationally, and serve hundreds of children and teens every week.

In fiscal year 2008 (May 1, 2007 – April 30, 2008) CCA received these payments:

\$75,000 from **Meyer Memorial Trust**.

\$50,000 each from **The Standard** and **Genentech**.

\$45,000 from **M.J. Murdock Charitable Trust**.

\$30,000 from **Marie Lamfrom Charitable Foundation**.

\$20,000 from **Ed and Romell Ackley**.

\$12,500 from **Hedinger Family Foundation**.

\$11,000 from **Henry L. Hillman Jr.**

\$10,000 from **McCrea Foundation**.

\$8,333 from **Steven and Ellen Jackson Foundation**.

\$7,500 from **PGE Foundation**.

\$5,000 each from **the King Family Fund of the Oregon Community Foundation, Safeway, Rite Aid Foundation, Swigert Foundation, Joe's Sports & Outdoor Foundation, the Stimson-Miller Foundation, Oregon Steel Mills/William G. Gilmore Foundation, and Pacific Power Foundation**.

\$2,500 from **Target**.

The Children's Cancer Association is a Portland-based non-profit leading the way in creating innovative, award-winning programs for children with serious illnesses, and providing resources and education for families. Last year, CCA served children and family members over 27,500 times.

CCA supports children and their families with a variety of unique programs. **The Music Rx® Program** brings the healing power of music medicine to the bedsides of hundreds of children each week. **The Chemo Pal™ Mentor Program** pairs children with caring adults who spend time, share hobbies and build friendships. **The LifeSupport Family Enrichment Program** grants wishes and helps meet the everyday needs of families coping with a medical crisis. CCA shares the power of information with the **Kids' Cancer Pages**, a free national directory with hundreds of resources relating to all aspects of pediatric cancer. And with the **Alexandra Ellis Caring Cabin™** on the Oregon coast CCA provides a peaceful oasis where seriously ill children and their families can enjoy time together away from the hospital experience.
